PROCEDURE TO REVIEW OF REQUESTS, TENDERS AND CONTRACTS
Tariffs of Services

Requested Service		
VERIFICATION	Unit	Price (ALL)
1 Phase electrical meter	pcs	1,000.00
3 Phase electrical meter	pcs	1,150.00
Security seal for electric meters housing	pcs	194.00
Security labels for electric meters housing	double	194.00
Energy meter testing ILC	pcs	40,000.00
INSPECTION	Unit	Price (ALL)
1 Phase electrical meter	pcs	2,780.00
3 Phase electrical meter	pcs	3,350.00
Direct sealing	pcs	1,250.00
Current transformer	pcs	1,000.00
Ground resistance for individual building	pcs	10,000.00
Ground resistance for residential and industrial building; Transformation point	pcs	20,000.00
Security seal for electric meters housing	pcs	194.00
Security seal for electric meters terminals	pcs	194.00
Security labels for electric meters housing	double	194.00
CALIBRATION	Unit	Price (ALL)
Electric meter class 0.2S, 0.5S 0.2S,0.5S,0.5,C	pcs	11,000.00
Single phase portable standard reference meter	pcs	25,000.00
Three phase portable energy standard reference meter	pcs	30,000.00
Single phase energy standard reference meter	pcs	40,000.00
Three phase standard reference meter	pcs	45,000.00
Digital multimeter	pcs	8,000.00
Digital multimeter with current clamp	pcs	7,000.00
Digital multimeter used for measuring insulation resistance	pcs	10,000.00
Digital multimeter used for measuring ground resistance	pcs	10,000.00
Digital multimeter used for measuring current leakage	pcs	8,000.00
Portable standard reference meter adjustment	pcs	75,000.00
Standard reference meter adjustment	pcs	100,000.00
Energy meter calibration ILC	pcs	65,000.00
Other instruments used for measuring electrical quantities calibration ILC	pcs	25,000.00

Notes: *The above tariffs are per unit (piece) and do not include VAT.
 Calibration Services are conducted only at Company's Premises*
